

TECHNOVATE

ANNUAL TECHNO-CULTURAL EVENT

2018

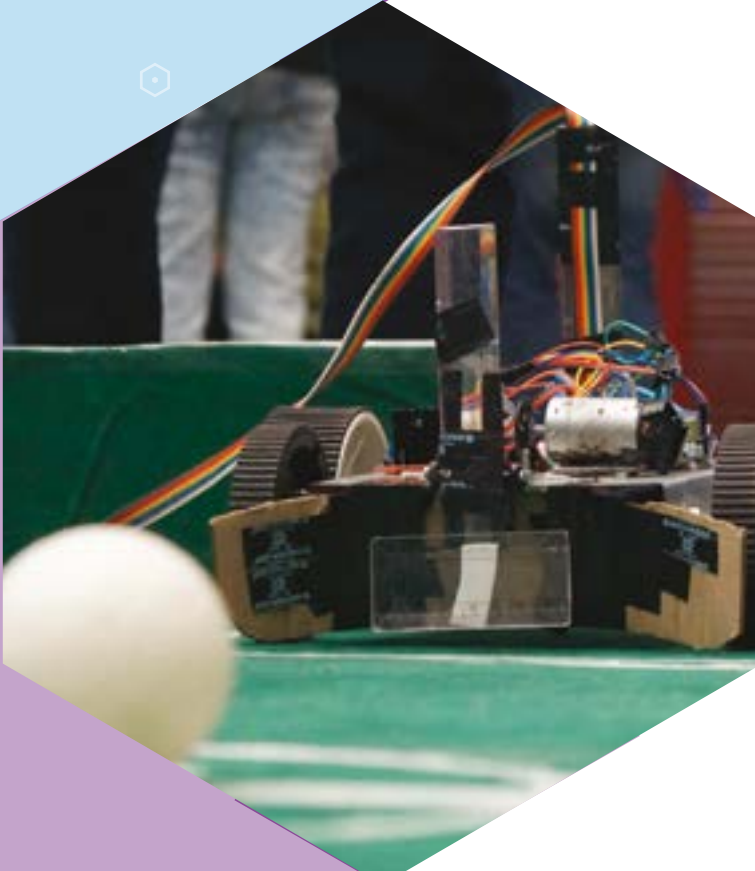

The institute is focused in research, and development activities in computer science & engineering, and electronics & communication engineering.

It was established by the International Institute of Information Technology University Act, 2013 of the Government of Chhattisgarh, is a joint venture of Government of Chhattisgarh and NTPC Ltd.

International Institute of Information Technology,
Naya Raipur is an autonomous institute of higher education in Naya Raipur, Chhattisgarh, India.

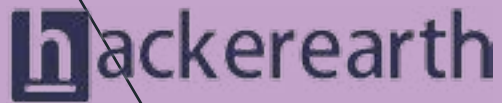

“ **TECHNOVATE** IS ABOUT EXPERIENCING AND NURTURING CREATION AND INOVATION”

Technovate 2017 was a joyride of cultural and technical challenges brewing fast paced, tense competition among participants as their skills were put through the most interesting tests ranging from coding challenges, robotics, drone challenges to journalism, dance and gaming.

PROPOSED EVENTS

SOCIAL INITIATIVE

We will be organizing a rally under Technovate 2018. And awareness program throughout technovate will we carried out during promotions of Technovate

"Swach Bharat Abhiyaan", is massive movement & very good initiative taken by our honourable Prime Minister Narendra Modi, which aims to fulfill the vision of Mahatma Gandhi about clean India. The movement aims to deliver a cleaner India by 2019 which will be a tribute to Mahatma Gandhi on his 150th birth anniversary.

THANK YOU
